FEATURED EQUIPMENT

**CUES
 TEXAS
 DEALER**

Cues OZIII

The robust design of the OZIII camera includes protective forks for the camera head to protect it during insertion and retrieval as well as shield it from roots and other obstructions in the pipe. Get the finest detailed video inspections with the CUES OZ III (Optical Zoom) Camera!

Cues Ultra Shorty III

The Ultra Shorty III can inspect 6" relined to 24" lines with major offsets and protruding taps. Maximize your advantage in 6" relined pipe! The Ultra Shorty III is provided with a built in protective housing and bulkhead connector to accommodate the mounting and direct connection of the CUES OZ III Zoom Pan and Tilt Camera. Weighted adapter blocks are available to optically center the camera, and increase traction and bottom clearance in 8" through 24" lines.
